Porch

To the north you can see the main door of the house.

You can see Main door, Wooden chair, Gnome, Bucket (empty) and Old box (in which are Candle and String) here.

>examine gnome

It's just a decorative Gnome. It seems there's something under it.

>look under gnome

You see the main key under the Gnome. Your family needs to find a better place to hide the key.

>get key

You know your hand is going to smell of iron afterwards, but you pick up the key anyways.

Taken.

>unlock door

(with Main key)

You unlock Main door.

>north

(first opening Main door)

Hall

To the east you see the entrance to lavabo. To the north there is the living room. The staircase leads you to the upper hall. To the south there's the porch - you don't wanna go back there, it's 40 degrees outside.

You can see Main door here.

It feels good to leave the sunny outside.

>east

Lavabo

To the west you can go back to the hall.

This place is kinda dirty. Maybe you should clean it.

>clean lavabo

You don't have everything needed to clean this. You should search for what you still need.

>west

Hall

To the east you see the entrance to lavabo. To the north there is the living room. The staircase leads you to the upper hall. To the south there's the porch - you don't wanna go back there, it's 40 degrees outside.

You can see Main door here.

>north

Living Room

The living room smells faintly of cat food.

To the west you see the garage. To the north there's the dinning room. To the east you can see the home office. To the south you can go back to the hall.

You can see a Sofa, a Reclining chair (on which is your Aunt), an Old rug, a TV, a Painting and Cupboard (closed) here.

>examine sofa

You see nothing special about the Sofa.

>examine aunt

You don't really know how old your aunt is, but you're pretty sure she's over 100.

>examine painting

It's like a van Gogh... Or a Picasso... Or maybe a Beethoven? You don't really know much of art.

>examine cupboard

It's a dusty wooden cupboard.

>open cupboard

You open Cupboard, revealing an Old photo album and a wiping cloth.

>examine cloth

This cloth might be useful to clean the Lavabo.

>get cloth

Taken.

>east

Home Office

The office has a lot of stuff. There is an old computer, a cabinet, a bookshelf, a wall clock and a portrait. There is also a window.

To west you can go back to the living room.

>examine cabinet

An white cabinet that has seen better days. It's getting yellowish. Maybe there's something useful inside.

>open cabinet

You open the cabinet, revealing a bleach bottle.

>examine bottle

This bleach bottle might be useful to clean the Lavabo.

>get bottle

Taken.

>west

Living Room

The living room smells faintly of cat food.

To the west you see the garage. To the north there's the dinning room. To the east you can see the home office. To the south you can go back to the hall.

You can see a Sofa, a Reclining chair (on which is your Aunt), an Old rug, a TV, a Painting and Cupboard (in which is an Old photo album) here.

>north

Dining Room

The dining room is decorated with furniture from the 60"s.

To the west you see the kitchen. To the south there's the living room.

You can see an Old Cabinet, an Old mirror and a Dining table here.

>examine old cabinet

Seems just like an Old Cabinet, there are some plates and beverages inside.

>open cabinet

It isn't something you can open.

>examine dining table

There's an unfinished meal at the Dining table. Your aunt must've forgotten it.
You also see a Sponge on the Dining table. You could use it to clean the Lavabo.

>get sponge

Taken.

>west

Kitchen

To the south you see the garage. To the east there's the dinning room.

You can see Cabinets (closed) here.

>open cabinets

You open Cabinets, revealing a Brush and a Knife.

>examine brush

This brush might be useful to clean the Lavabo.

>get brush

Taken.

>south

Garage

I don't know if we could even call this place a garage, it's crowded with boxes. There's no way to put a car in here. Beyond all this trash, maybe something can be useful.

To the north you see the kitchen. To the east is the living room.

You can see Cobweb, Pile of boxes, a Broken broom, Work Bench (on which is Toolbox (closed)) and Kitchen Table here.

>examine cobweb

A spider has been here... I hope it's not a dangerous spider.

>examine broken broom

The broomstick is broken, but it doesn't seem hard to fix. You'll need to fix it if you want to clean the lavabo.

>examine toolbox

You see nothing special about Toolbox.

>open toolbox

You open Toolbox, revealing a Wrench, a Screwdriver, a Silver Tape and a Hammer.

>examine silver tape

It's a great tool to fix things.

>get silver tape

Taken.

>fix broken broom with silver tape

You fixed the broom.

>east

Living Room

The living room smells faintly of cat food.

To the west you see the garage. To the north there's the dinning room. To the east you can see the home office. To the south you can go back to the hall.

You can see a Sofa, a Reclining chair (on which is your Aunt), an Old rug, a TV, a Painting and Cupboard (in which is an Old photo album) here.

>up

Upper Hall

To the west you see the Small Bedroom. To the north you see the Large Bedroom. To the east you see the Medium Bedroom. To the south there's the Bathroom.

You can see Medium bedroom door here.

>west

Small Bedroom

Seriously, I don't how they fit this many mattresses in this room. You can't even walk here. It's like the floor is made out of mattress.

To the east you see the Upper Hall.

>east

Upper Hall

To the west you see the Small Bedroom. To the north you see the Large Bedroom. To the east you see the Medium Bedroom. To the south there's the Bathroom.

You can see Medium bedroom door here.

>east

(first opening Medium bedroom door)

You try to open the door, but your Mother has taken the key. She is currently resting in the Large Bedroom.

It seems to be locked.

>west

Small Bedroom

Seriously, I don't how they fit this many mattresses in this room. You can't even walk here. It's like the floor is made out of mattress.

To the east you see the Upper Hall.

>east

Upper Hall

To the west you see the Small Bedroom. To the north you see the Large Bedroom. To the east you see the Medium Bedroom. To the south there's the Bathroom.

You can see Medium bedroom door here.

>north

Large Bedroom

This is the largest bedroom of the house. You can see some beds and a bathroom. I guess this bedroom is restricted to the owners of the house.

To the west you see the Inner Bathroom. To the south you can see the Upper Hall.

You can see King size bed (on which is your Mother) and a Desk here.

>west

Inner Bathroom

The inner bathroom is a bit damp. There is a sink with a round mirror above it. A faint light shimmers through a small window above a bathtub.

To the east you see the large bedroom. There's also a window that leads you to the roof.

You can see a spider here.

>pet spider

You pet the spider. You grew closer together!

>up

Roof

The sun burns you! This looks like hell.

>down

>east

Lavabo

To the west you can go back to the hall.

This place is kinda dirty. Maybe you should clean it.

>clean lavabo

You cleaned it! Of course you didn't do a good job, but at least it's usable right now. Time to go to bed!

You can finally go to the Medium bedroom to have some rest. But get the key with your Mother before.

>west
